## ECO-FRIENDLY TECHNOLOGY WE'RE IN THIS TOGETHER

### OUR COMMITMENT

We are your source for sustainable swag that recipients will actually use and reuse. We offer better gifts for a better planet with a wide variety of eco-friendly corporate gift options.

Making the eco-friendly and ethical choice is not always the easiest thing to do, but the good news is that alternative options exist. KTI offers a product line in the eco category, making it possible for customer partners to make the ethical choice.

### WHEAT STRAW PLASTIC

Wheat straw products are gaining in popularity for being made of an eco-friendly material that is known as biodegradable plastic or polymer. It belongs to the eco products category.

### UNIQUE CORPORATE GIFTS

A company gift should be as remarkable as the company giving it. Whether giving branded employee welcome gifts, or eco-friendly executive gift boxes, we will curate your company gifts to beautifully showcase your brand while delighting your recipients.

#### **ABOUT CORK**

*The CA110 Eco-Friendly Conferencing Bluetooth Speaker contains recycled plastic and natural cork. Cork is lightweight, durable, naturally antimicrobial and impermeable to water, allowing it to sustain wear and tear. Not only is the low amount of production process very efficient, cork is also consciously harvested by hand every 7-10 years from the bark of oak trees, regenerating naturally over time and making it an easy choice when it comes to sustainable design in consumer electronics.*
