# PARKING PERMITS

There is a wide variety of parking permits available to provide the controlled security necessary for property managers, hospitals, schools, local governments and more. With material choices that include white vinyl, reflective, clear polyester, clear static and a variety of other material options for hang tags, you will be sure to find a design and construction to meet your requirements. Add numbers and an expiration date to enhance security.

No. 4046  
1 3/4" x 1 3/4"

Mini Rear View Mirror Decals are available in white vinyl and white reflective and are supplied with 7/32" numbering.

No. 797  
3 1/2" x 2 1/4"

No. 603  
3" x 3"

Die-Cut Parking Permits are kiss-cut and supplied on the backing sheet, making removal quick and easy...just bend and peel!

No. 8105  
2 3/4" dia.

## Hang Tag Parking Permits

For more security, hang tags provide an option to add anti-counterfeiting elements such as foil stamping and white reflective laminate.

Approximately 2 3/4" x 4 3/4"

No. 646
