Sharpie Tank

No need to worry about running out of ink with the Sharpie Tank Highlighter. The large barrel holds plenty of ink to complete all your highlighting and organizing tasks, and the quick-drying formula resists smearing, smudging and fading to keep text clear and legible.

- Large ink supply delivers dependable highlighting
- Bright fluorescent yellow ink stands out on the page
- Versatile chisel tip easily produces wide and narrow lines
- Smear Guard ink technology resists smudging of many pen and marker inks (Let ink dry before highlighting)
