## A Sustainable Start to 2022

Same Great Bottle Now Made With Material Derived From 50% Plastic Waste.

Each bottle is created from resin powered by next generation recycling technology that transforms plastic destined for landfills into high-performance bottles.

### TC701 32oz Wide Mouth Digital full color 701 32oz Wide Mouth Spot Color

Sustainability in your hands. Nalgene is proud to be the first to market with a new resin powered by next-generation recycling technology that transforms plastic destined for landfills into high-performance BPA/BPS-free bottles. Our new Nalgene Sustain product line is made from material derived from 50% waste plastic (using ISCC certified mass balance), further offsetting the use of fossil fuels and lowering greenhouse gas emissions.

## Features

### BPA/BPS Free

So you can drink water that's safe and tastes great.

### Built to Last

Our durable goods are made to last a lifetime.

### Dishwasher Safe

Safe to put in the dishwasher and easy to clean.

### Fits Filtration Devices

Fits most filtration units for clean water in a pinch.

### Fits Ice Cubes

Put ice in your bottle with ease and enjoy your frosty beverage anywhere.

### Leak-Proof Guarantee

Continuous, straight shouldered semi-buttress threads keep the bottle sealed tight.

### Lightweight

Engineered to count for when weight matters most.

### Made In the USA

Local goods mean local jobs and fewer emissions.

### Recycled Material

Made from recycled materials so you can look good and feel good.
