

# towel specialties

## Keep it clean on the golf course

The **Links Scrubber Towel** is made from absorbent micro-fiber waffle weave material and features a raised triangular scrubber surface that removes dirt from your club.

Why settle for just any golf towel when you can have one with its own scrubber area?

Includes a black twill strap on the back for easy hanging.

Grey with black border.

16" x 24", 3.7 lbs/dozen.
