CORRINE

FOOD CONTAINER W/ STEEL TRAY
EH4002

As low as:

\$13.99

Take the Corrine reusable food container to work, a picnic, camping or the beach to keep your food fresh and safe. It features a 2-compartment food-grade stainless steel tray for packing various foods, snacks, fruits or salad. The food storage container has 4 side locks and a silicone ring seal making it leak-proof while the steel tray is inserted, preventing spills during transit. The Corrine is leak-resistant when used without the steel tray. Its large plastic compartment can hold 32 oz. of food and is microwavable, top rack dishwasher safe, FDA compliant and BPA Free.
