

# CLEAR “no label look” Labels

Get the look of direct printing with a clear label that virtually disappears allowing the design to pop

## Common Applications/Uses:

- ▶ Clear labels with one color printing offer a clean, minimalistic look
- ▶ Showcase the product's contents with a clear label on see-through plastic or glass
- ▶ Choose a foil imprint on a clear label for a high end impression
- ▶ Popular among products such as candles, beverage bottles, sauces, beauty products and more

## Features

- Available in Clear Film BOPP, Clear Frosted Polyolefin, and Clear Polyester
- Try our freeform™ labels when you need a unique shape (requires clear polyester stock)
- Excellent for curved surface application
- Our water based inks are translucent. White ink backup is recommended on clear stock to make ink opaque
- High tear resistance
- Water, oil and moisture resistant
