

PLASTIC BADGES

Full Color Digital Plastic Name Badge

- Available in white, silver, gold or full bleed color.
- 1/16" thick plastic with protective laminate
- These go great with steak *and* fish
- Includes up to 3 lines of personalization
- Magnet, pinback, or clip attachment options available

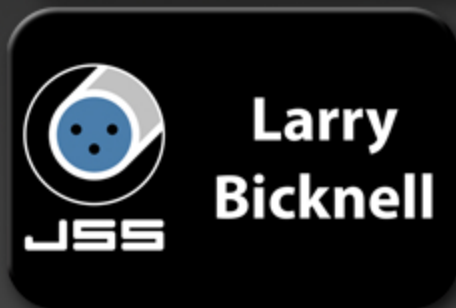

Shaped Digital Name Badge

- Thick 1/16" Plastic
- Full color imprint on silver or white plastic
- Custom profiled shape, priced by the square inch
- No outrageous setup or die charge.
- No need to order > 2,000 qty, our minimum run is 5.

Laminated Plastic Badges

- .030" credit card thickness plastic
- Full color imprint, including full bleeds
- Photo ID and Event tags available
- Can be worn with pin backs, magnets, or punched slots with lanyards / strap clips.
- May not get you through tight security, but you'll look great being escorted out.

Printed and Engraved & Engraved Only Badges

- Your choice of 1/16" thick 2 ply plastic
- Rotary or Laser Engraved
- Logos can be printed or engraved
- Smells just like a trophy shop, but without Windows 95
- Dress it up with a badge frame, beveled edges or a poly dome
