

# 10' OMNI TENT

designed for portability

## 10' OMNI TENT

This tent is designed for portability. It features an innovative central hub design that makes it a snap to set up.

- 1.25" diameter octagon legs constructed of 0.8 mm anodized aluminum
- Canopy is constructed of durable, weather-resistant 600 denier polyester
- Hybrid construction with aluminum legs and steel truss
- The included soft case slides over the frame when it's fully collapsed
- Frame must be secured to the ground to prevent wind damage (failure to secure the tent voids the warranty)
- UV-Printed canopy is not eligible for Rush Service
